### 7. Ask for Referral WhatsApp

*If you've given your customer a fantastic experience, you've earned the right to ask for a referral! Since they're thrilled with their stunning Pres Les product, they'll be eager to share the opportunity with loved ones. The key to getting a referral is simple—you have to ask! Once they've received their product and are excited, send them this WhatsApp message.*

### 7. Ask for a Referral WhatsApp

Hi [Customer Name]! 😊

\*I hope you're enjoying your beautiful Pres Les product!\* 🏠 ✨

Your referrals mean so much to me—they're truly the greatest compliment.

If you know anyone in your network who would love to create their dream home or is looking to earn a supplementary income, please share their details with me. I'd love to reach out and enrich their lives with Pres Les too.

💖 Thank you for your support and for helping me make a difference! 🌟
